## Mission Statement

*We are committed to providing quality instruction by caring, professional teachers in a friendly setting.*

## Our Philosophy

To develop accomplished students for performance opportunities, but also to recognize that others perform for recreational and physical fitness purposes.

However, no matter what the reason that brought you to the performing arts, through the learning process we encourage respect, self-confidence and appreciation towards the arts and others. We promote well-rounded students to be the best they can be which will carry them through a lifetime!
